Making Home Affordable (MHA) 的核心是 Home Affordable 贷款修改项目 (HAMP)。HAMP 旨在长期、可持续的减轻抵押贷款债务负担。

为什么HAMP 有效

HOME AFFORDABLE MODIFICATION PROGRAM

The centerpiece of Making Home Affordable (MHA) is the Home Affordable Modification Program (HAMP). HAMP is designed to reduce your mortgage payments, making them more affordable and sustainable over the long term.

WHY HAMP WORKS

- Program incentives encourage your mortgage company to work with you as early as possible, even before you're late with a payment.
- Through HAMP, you could save more than \$500 each month.
- Homeowners who owe more than their homes are worth and qualify for HAMP's Principal Reduction Alternative (PRA) could see their principal reduced by more than \$65,000, and their payments reduced by more than 30 percent.
- If you're eligible for HAMP, your mortgage company will assign a relationship manager to help guide you through the process, from start to finish.

YOU MAY BE ELIGIBLE IF*

- Because of a financial hardship, you are struggling to make your mortgage payments.
- You are delinquent or in danger of falling behind on your mortgage.
- You owe up to \$729,750 on your primary residence or single unit rental property (loan limits are higher for two-to four-unit properties).
- You obtained your mortgage on or before January 1, 2009.
- Your property has not been condemned.
- You have not been convicted within the last 10 years of a crime in connection with a mortgage or real estate transaction.

*Eligibility criteria are for guidance only. If you owe more than your home is worth, you may be eligible for HAMP's PRA. Contact your mortgage company to see if you qualify.

If your mortgage is owned, insured, or guaranteed by Fannie Mae, Freddie Mac, FHA, VA, or USDA, ask your mortgage company which solutions will work best for you.

HOW HAMP WORKS

- Your mortgage company reviews your request for assistance, verifies your income, and documents your hardship to determine which solution might be most suitable to your situation.
- If you owe more than your home is worth, your mortgage company will evaluate you for principal reduction.
- If you qualify for HAMP, you will start with a three- to four-month modification trial period. Be sure to make your payments on time, and continue to make your payments, even if the trial extends beyond the expected length of time.
- After a successful trial at the new payment level, your mortgage company will offer you a permanent modification. Be sure to understand the details of your agreement, including the length of the term and the interest rate, and continue to make your payments as agreed in order to remain in good standing.
